This paper is marketing tool for the Birmingham News and for Local Businesses to provide coupons to the community. The City of Alabaster is working with the Birmingham News to allow them to continue this service, but also keep them in compliance with the Zoning Rules and Regulations, as well as the Alabaster Code of Ordinances, as it pertains to littering. The intent of this notice is simply to inform our community of the options for this service and to encourage you to help us keep our city clean!
