

Larry Simmons Stadium & Jim “Peanut” Davenport Baseball Field Renovations

**Off Thompson Road beside the future
Alabaster Civic Center**

Project Plan

In an effort to maintain public facilities, the city is doing an expansive renovation of the Larry Simmons Stadium and Jim “Peanut” Davenport Baseball Field.

Renovations to the Larry Simmons Stadium include a new entry point, reskinning of portions of the facility in stone or metal, concessions area, new gates, and new bathrooms.

Jim “Peanut” Davenport fields renovations included a new artificial turf, paving of the parking lot, and improved buildings and bathrooms.
